## **Bitches**

Thank you for a lovely day judging your breed, the atmosphere was friendly, the exhibitors sporting and your exhibits had quality in depth. Delighted that my bitch CC Taylor's, Pure Target With Newlaithe JW went BIS who for me has the most beautiful outline and correct shape, lovely head with dark eye, clean skull and nice width to jaw, balanced and well angulated with lovely muscle tone standing on well boned legs and feet. Her movement in profile was easy and ground covering, big striding bitch. My RCC, Griffiths Ch Maybe At Lanfrese went RBIS, another typey, shapely bitch with similar comments to 1, balanced and well angulated, in good muscular condition, 1 just had the more reachy movement and stride, BPIS was an exciting dog puppy, Griffiths, Sandcliffe Cruising At Lanfrese, one to watch for the future, total agreement for his BP.
