

Critique Bitches NBC Champ Show 14/04/2019

I would like to thank the Northern Boxer Club for inviting me to judge the bitches at their champ show it was a real privilege being my first CC appointment. Congratulations to the committee on an excellent show and hospitality was great. I thank the exhibitors for a lovely entry and taking my judgements so graciously.

I feel on the whole the bitches are very strong in quality yet keeping plenty of elegance and femininity. I found mouths still a little disappointing and some exhibits were too short on rib causing them to gate on the move but overall the profile was very consistent. I was impressed by the pups and youngsters with excellent temperaments and full of promise they were a delight to judge. I had some difficult decisions in the upper classes being spoiled for choice.
