

BITCHES: To take over someone else's entry is not an easy task, and Mr Peter Baynes had drawn an excellent entry of 130. Thank you to the sporting exhibitors and my two very efficient stewards, Peter Baxter and Dave Caufield, for making my afternoon so pleasurable. The bitches are very strong at the moment and in many classes I could have awarded more than 5 placings, still one or two wry or round mouths, small teeth and lacking chin, overall movement has improved and I was more than pleased with the line-up for the CC. **MPB** (12, 3) 1 Copeland's Kronos Annie Mac. 7 months b/w, immature at the moment but has pleasing head, good expression, super neck, good shoulders, front and feet, lovely temperament and the best mover in this class. 2 Esder's Roxiga Bambino Di Pavarotti.
