

The Northern Boxer Club  
11<sup>th</sup> October 2015

Thanks to the committee for my invitation to judge today also thanks to the exhibitors for accepting my decisions so sportingly.

Class A No Entries

Class B (2) 1. Cairns' Galicar Mac Steamy, 9 months dark brindle, head developing nicely, has expressive dark eyes, well padded muzzle, good mouth, turn-up of chin, medium length of neck, good front and lay of shoulder, well sprung rib with deep brisket, Moved well keeping his top line. 2. Flintoft's, Boxania Fire Bug, 8 months R/W, another nice puppy, with a nice head and dark eyes, padded muzzle, good mouth, nice length of neck, another good front and lay of shoulder, short back and again a correct tail-set. Well-angulated quarters. Moved well.

Class C (1) 1. Cairns/Groves & Hares's Instinctive for Galicar Well grown 10 months B/W, Masculine head with good rise of skull, dark eyes, well padded muzzle, wide mouth, good front, well sprung ribs, deep brisket, well off for bone, strong legs with correct angulations, tight cat like feet, strong short back and correct tail, just needs to mature, gave a good account of himself to win BD.

Class D. No entries

Class E. (6.3) 1. Woolliss' Boxania Jitterbug with Rameleon, feminine brindle puppy with a good head, has a nice rise of skull and expressive dark eyes, good mouth and turn up giving good lip placement, crested neck, good lay of shoulders, well sprung rib, level top-line with good tail set, strong legs, tight feet, shown in hard condition, short hocks giving plenty of drive. Moved well. BPISE

2. Payne's Boxania Love Bug at Birleyvale, I see she is litter sister to 1. R/W larger in stature another nice pup, Very similar to 1, having a good head with dark eyes, mouth, turn up and lip placement, nice front and legs, nicely arched neck, well laid shoulders, slightly longer in back with a good tail set. Well muscled quarters, tight feet. Moved well.

3. Burrows' Nelsizzy Crystal

Class F (2) 1 Kay's Seacrest Lily the Pink, 11 months R/W well grown young lady, Good head, neck and lay of shoulder and front, nice dark eyes, well padded muzzle, ex. mouth with large teeth, good turn-up, has a short strong back, good tail set, strong muscular quarters, shame that she wouldn't co-operate with her patient handler, liked her a lot, Did enough to win the class. 2. Beard's Chiomas Dream Lilly, B/W 11 months, has a lovely head with a cheeky expression, nice dark eyes, good mouth and padded muzzle, good front, nice reach of neck, nicely laid shoulders, short back and good tail, nice tight feet, lovely bone. Moved well.
