### **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm - please take care of your dog

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events

### **CRATE / CAGE IDENTIFICATION**

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose

The Royal Kennel Club request that, for safety reasons, all dogs in soft cages are NOT left unattended at any time

### **CHILDREN**

Children must be kept under parental control at all times or they, with their parents, may be asked to leave the show

### **DOG FOULING & GROOMING WASTE**

Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog/s at any Royal Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches

### **EXERCISE AREA**

An exercise area will be provided

Exhibitors/Handlers are required to clear up any fouling by the dogs in their charge

No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show.

Any substance (other than water) which may be used in the preparation of dogs for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

Therefore chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden
